Global Trade

Growing Beyond Borders.

We buy at source from clusters, farms and manufacturers, better prices, fewer hands in between.

ABOUT US

AIMSGREEN Overseas connects global buyers with verified Indian suppliers across agri commodities, building products and interior products, quality and documentation handled end to end.

01 Our Strengths

02 Third-party quality inspection

03 Direct sourcing at origin

04 Full export documentation

05 Secure LC & Escrow payment

A verified network and warehousing partners across the UAE, Kenya and Germany move value across borders.

Every supplier and buyer is screened and verified before any transaction.

Private-label and custom branding & packaging available across categories.

AIMSGREEN Overseas exists to make cross-border sourcing simple, verified and accountable for buyers in every major market.

01 What We Do

02 Inspect, document and ship.

03 Source & match verified suppliers.

04 Coordinate logistics to your port.

MISSION

Our Mission

To be the single, trusted partner global buyers rely on, delivering verified products end-to-end across borders, with quality and documentation handled for them.

01. Own the buyer's requirement, not just the introduction.

02. Deliver verified quality on every shipment.

03. Handle documentation and logistics end-to-end.

Approach

Transparent pricing and secure payment terms on every order.

Quality-inspected, fully documented shipments to your port.

01. A middleman-free process: buyers get factory-direct pricing, suppliers get verified, ready-to-transact demand.

02. We sit in between only to guarantee quality, paperwork and delivery.

03. One accountable trade manager per enquiry.

04. Secure payments via LC and Escrow payments, ensuring trust for both buyers and suppliers.

To grow beyond borders, connecting India's manufacturing, farming and interior clusters with buyers in every major market, backed by the AIMS Group ecosystem.
